## DIGITAL QUOTE MANAGER™

*Relevant Automation provides powerful CRM solutions for the Office Equipment Industry*

CRM

Empower your Sales Team to Succeed:

- *Easy to access live e-automate Quotes!*
- *Create quotes directly from the customer record with contact information already filled in.*
- *Use quote data to drive your forecast.*

Capture every opportunity with the powerful combination of e-automate and Microsoft CRM or GoldMine! With our integration for Digital Gateway's Digital Quote Manager (DQM) you can truly harness the power of your CRM solution. Integrating the quoting process into your customer relationship management tool is the number one driver for user adoption of a CRM system.

Powerful new ways to use your data:

- Run reports to see the status and details of all quotes produced. Use quote data in your filtered searches to create follow up or marketing lists.
- You will have visibility into all of the forecast and no quotes are able to fall through the cracks.
